

Facebook Advertising

FACT Over 1 billion people use Facebook to connect. Based on their location, age, and more, we can introduce you to the people who'll love your business.

FACT FACEBOOK is on 3 of every 4 smart phones and more than ½ of people on FACEBOOK visit every day

FACT Most on-line advertising reaches only 38% of it's intended audience. FACEBOOK's average is 89%

Benefits of Facebook Advertising:

- Reach people when they're engaged
- FACEBOOK can accomplish a variety of things: Drive in-store sales, increase on-line sales, help launch a new product, build awareness, promote an event and more...
- FACEBOOK Ads can Target your Audience by location, behavior, demographics, connections, interest and even custom and lookalike audiences

How We Do It:

We will help you create ads that achieve real results, whether that means connecting with more people through your Page, finding the right customers for your app, or driving sales on your website or in your store. AMT Digital will target the right audience for your business with FACEBOOK Advertising and track the results!
